Personal Testimonials

Dinner last night was fabulous - everything was just delicious and it all went perfectly from set up - to picking up this morning. All of our guests were so impressed with everything and decided it is definitely the way to handle special dinner parties so you will be getting calls from them! We really had a lot of fun and they all loved helping put that beautiful, delicious dessert together. Thanks again for making my birthday dinner party an event that will be memorable for all of us!

Jess, a "HUGE" thank-you for all your hard work, fabulous presentation and "WONDERFUL" food!! The day would never have been a success without Dominique, yourself and your unbeatable staff, please tell them ALL for me. If ever I am involved planning another event you will get the "call".

We savored every minute of a perfect dinner party in our own home. Renee, Jerrid, and Tyler were wonderful as always. Someone commented that the salad was the best ever and the steak was as tender as eating a marshmallow. I wanted to have only a bite of the dessert but it was WAY too delicious! There wasn't a thing that could have been nicer!

Thanks to all of you!

Everyone agreed that the food and service was five stars all the way as I knew it would be. Our family members from Seattle were impressed and we all enjoyed the delicious meal. It was a great way to celebrate my 70th birthday. Thanks again.

The food was wonderful. We had many comments on how good the wraps were. My eighth grade girl has already requested her graduation be catered by "the same people who did Alex's". I am a fan! Thanks again.
